September 2014

Dear Parent,

Your student will be receiving a state owned MLTI MacBook Air. This laptop will enhance your student's learning as technology is integrated into classroom instruction to help students learn "hard to teach" concepts, practice skills needed for academic success, provide the most current research and information and help your child learn 21st century skills. Your child will bring the MacBook Air home to continue work on class assignments, complete homework, and work on projects.

MSAD 75 offers the MLTI MacBook Air Take Home Coverage. You may elect to purchase this Take Home Coverage for the laptop your child will be assigned. For a one time yearly fee the Take Home Coverage covers accidental damage that occurs outside of school. Please see the back of this sheet for the cost of the coverage. Coverage details include:

Property covered: Apple MacBook Air, charger, extension cord, and case

Cost of Coverage: see back

Deductible: \$50.00 per incident

Once a maximum combined damage of \$500.00 has been reached the deductible will increase to \$100.00 per incident.

Coverage benefits:

- Accidental damage outside of school
- Fire
- Natural disasters
- Power surges

Please note: Wanton and willful destruction or negligence is not covered. Food, drinks, and liquids must not be near the laptop. Damage from food or drink or liquids will be considered negligence.

Please understand the Take Home Coverage has limitations. Issues of theft, loss or intentional damage will be referred to administrators and possibly the police for investigation. In these instances the level of coverage will be determined on a case-by-case basis.

The MLTI Take Home Coverage can be paid online under the **Parent Resources/MLTI Laptop Information** section of the Mt. Ararat Middle School website. You can also send a payment to school with your child, but we urge you to use the online payment. Payments delivered to school should be turned in to the Main Office. Checks should be made out to MSAD 75.

Each student **MUST** return this Take Home Coverage Form completed and signed by a parent.

Students who complete the following **three steps** will allowed to take their laptop home: 8th Grade must have steps completed by **Friday, September 12**. Seventh Grade must have steps complete by **Friday, September 26**:

1. Returned this form, indicating purchase of the Take Home Coverage or returned the form electing not to purchase the Take Home Coverage
2. Returned the Family Plan to the school
3. Paid any outstanding fees or fines for text books, library books, technology fee, etc.

Students who do not complete these three steps by 3 pm on their assigned take home date will **not** be allowed to take their laptop home.

We recommend you make a payment for Take Home coverage online or include payment with the Take Home Coverage form when your child returns it to school. If payments for Take Home Coverage are not received by October 6, 2014 by students who elected to purchase Take Home Coverage, coverage will automatically be canceled and default to "not electing coverage" status.
