Dear Parent,

Your student will be receiving a MSAD 75 owned MLTI MacBook. This laptop will enhance your student's learning as technology is integrated into classroom instruction to help students learn "hard to teach" concepts, practice skills needed for academic success, provide the most current research and information and help your child learn 21<sup>st</sup> century skills. Your child will bring the MacBook home to continue work on class assignments, complete homework, and work on projects.

MSAD 75 offers the MLTI MacBook Take Home Coverage. You may elect to purchase this Take Home Coverage for your child's MacBook. For a one time yearly fee the Take Home Coverage covers accidental damage that occurs outside of school. Please see the back of this sheet for the cost of the coverage. Coverage details include:

**Property covered:** Apple MacBook, charger, and case

**Cost of coverage:** see attached sheet

**Deductible:** \$50.00 per incident

Once a maximum combined damage of \$500.00 has been reached the deductible will increase to \$100.00 per incident.

**Coverage benefits:**

- Accidental damage outside of school
- Fire
- Natural disasters
- Power surges

**Please note: Wanton and willful destruction or negligence is not covered. Food, drinks, and liquids must not be near the laptop. Damage from food or drink or liquids will be considered negligence.**

Please understand that the Take Home Coverage has limitations. Issues of theft, loss or intentional damage will be referred to administrators and possibly the police for investigation. In these instances the level of coverage will be determined on a case-by-case basis.

The MLTI Take Home Coverage can be paid online at: <http://maine-learning-technology-initiat.msad75.schoolfusion.us>

You can also send a payment to school with your child, but we urge you to use the online payment. Payments delivered to school should be turned in to the Main Office. Checks should be made out to MSAD 75.

Each student **MUST** return this Take Home Coverage Form completed and signed by a parent.

Beginning Wednesday, Sept. 14 Grade 8 students who have complete the following three things will be able to bring home a laptop each night.

1. returned this form indicating purchase of the Take Home Coverage or returned the form electing not to purchase the Take Home Coverage
2. returned a Family Plan for bringing home an MLTI laptop
