August 2012

Dear Parent,

Your student will be receiving a State owned MLTI MacBook. This laptop will enhance your student's learning as technology is integrated into classroom instruction to help students learn "hard to teach" concepts, practice skills needed for academic success, provide the most current research and information and help your child learn 21st century skills. Your child will bring the MacBook home to continue work on class assignments, complete homework, and work on projects.

MSAD 75 offers the MLTI MacBook Take Home Coverage. You may elect to purchase this Take Home Coverage for the laptop your child will be assigned. For a one time yearly fee the Take Home Coverage covers accidental damage that occurs outside of school. Please see the back of this sheet for the cost of the coverage. Coverage details include:

Property covered: Apple MacBook, charger, extension cord, and case

Cost of coverage: see back

Deductible: \$50.00 per incident

Once a maximum combined damage of \$500.00 has been reached the deductible will increase to \$100.00 per incident.

Coverage benefits:

- Accidental damage outside of school
- Fire
- Natural disasters
- Power surges

Please note: Wanton and willful destruction or negligence is not covered. Food, drinks, and liquids must not be near the laptop. Damage from food or drink or liquids will be considered negligence and will not be covered by the Take Home Coverage.

Please understand the Take Home Coverage has limitations. Issues of theft, loss or intentional damage will be referred to administrators and possibly the police for investigation. In these instances the level of coverage will be determined on a case-by-case basis.

The MLTI Take Home Coverage can be paid online under the **Parents/MLTI Take Home Information** section of the Mt. Ararat High School website. You can also send a payment to school with your child, but we urge you to use the online payment. Payments delivered to school should be turned in to the Main Office. Checks should be made out to MSAD 75.

Each student **MUST** return this Take Home Coverage Form completed and signed by a parent.

Beginning Wednesday, Sept. 12 students who have completed the following **two steps by 3 pm Monday, Sept. 10** will be able to bring home a laptop each night.

1. returned this form indicating purchase of the Take Home Coverage or returned the form electing not to purchase the Take Home Coverage
2. paid any outstanding fees or fines for text books, library books, technology fee, etc.

Students who do not complete these two steps by **3 pm Monday, Sept. 6** will be assigned a laptop when the steps have been completed. The Technology Department will call students to the computer lab to get a laptop.

We recommend you make a payment for Take Home coverage online or include payment with the Take Home Coverage form when your child returns it to school. If payments for Take Home Coverage are not received by **October 8, 2012** by students who elected to purchase Take Home Coverage, coverage will automatically be canceled and default to "not electing coverage" status. Please contact Craig King, Don Gray, or Donna Brunette in cases of financial hardship.

If you choose to pay by check you may drop the form and payment off in the school office or mail it to the school office in August. Once school begins your child(ren) may return the form and payment to his / her advisor.

Kerry Gallivan
